THE BEST BASEBALL GAME CANNOT BE PURCHASED IN A RETAIL STORE!

PITCHING • HITTING • FIELDING • RUNNING • MANAGING

Season after season, STRAT-O-MATIC BASEBALL has been sold to thousands of baseball fans exclusively through the mail. But why, you ask? Each year our baseball game is totally revised to reflect precisely the most up-to-date Major League statistics.

STRAT-O-MATIC offers such a current authentic reproduction of real life baseball and such a wide selection of games and individual team combinations, that it is impossible for a retail store to supply our fans.

In business since 1961, the quality and reliability of STRAT-O-MATIC BASEBALL speaks for itself in the fact that we have continued year after year to sell out all our editions.

In our 1971 edition, STRAT-O-MATIC presents you once again with the finest in baseball realism and entertainment. The hitting, pitching, fielding and base running abilities of 480 Major League players is unbelievably reproduced right from the ball park into your home. Leading average hitters such as Rico Carty and Alex Johnson will be among your own league leaders. Bob Gibson the Cardinal's fine pitcher, will be difficult to hit and will allow few walks and home runs. Wes Parker, Dodger first baseman, will field his position as brilliantly in your game as he does in real life. Without hesitation, we recommend STRAT-O-MATIC BASEBALL'S 1971 Edition to be without equal.

The above are just some of STRAT-O-MATIC's highlights. For the entire story, mail coupon for a colorful FREE BROCHURE containing full detailed information and FREE STRAT-O-MATIC SAMPLES. Send Today To: Strat-O-Matic Game Co., Inc., 82A S. Bayles Ave., Port Wash., N.Y. 11050.

JUGHEAD NO.193 JUNE MEMBERSHIP – TWENTY-FIVE CENTS

FIRST PRIZE—$5.00

REPORTER
STEVEN FINDERSON
3646 Grosvenor Road
Cleveland Heights, Ohio

Dear Archie,

I am a new reporter and I would like to tell you about my trip to Georgia. This summer my mother, brother, and I went to Georgia and stayed for a month. Many interesting things happened while we were there, but one thing was most important to me, we found two puppies.

These two puppies were running down the road when my brother and I came upon them. One was black and the other was brown. The black one we named Cutie Pup. He looked like a small, round bear cub. He ran straight to us when he saw us. We picked him up and petted him. Soon he became accustomed to the name that we had given him, Cutie Pup.

The brown one (we named him Wildie) was not as friendly as Cutie Pup. He often ran away when we came near. However, when he did become friendly with us we all played together on my grandma's lawn. The puppies liked to play in the sand most of all.

We had so much fun with these two puppies until it came time for us to leave. We tried to figure out a way to take them home with us. My mother constantly refused. She said that it would be too much of a problem to them on the plane. My brother cried and I felt like doing so myself.

When we returned home, my mother bought us a big German Shepherd which we love very much. His name is Bobo and we have much fun with him. However, sometimes I still think of the two puppies that we had in Georgia.

SECOND PRIZE—$3.00

REPORTER
KEVIN AGNEW

Dear Archie,

I know that you must be very busy but I hope that you take time to read this letter.

I guess that not too many kids that write to you live on a farm but I do. Our farm is situated about 80 miles east of Ottawa, our country's capital.

On our farm we milk an average of 25 cows all year around. We also keep 25 6-month-old steer calves that we sell every fall. The dairy cows' calves are kept until they are a suitable size to sell. I go to St. Michael's School in Douglas, Ontario and I am 13 years old. I am rapidly collecting your comic books and I think that your best character is Jughead.

THIRD PRIZE—$2.00

REPORTER
MARCELLE CUNNINGHAM
1232 Arbor Vista Drive
Atlanta, Georgia 30329

Dear Archie,

Hi. I want to tell you about my trip to Europe.

First I went to Switzerland, Austria, Germany, France, Belgium, Rumania, and last of all England.

I am going to tell you about two of these countries. I will tell you about Switzerland and Rumania.

Switzerland is famous as Europe's Sport Resort all year round. Geneva, a city in Switzerland, has been at peace over one hundred years. The United Nations of Europe is in Geneva.

Rumania, the birthplace of my mother. It is one of the nine iron curtain countries. I have relatives in Rumania. My aunt has a one-room house. They are very poor like the rest of the Rumanian people. The people of Rumania keep the country clean. They clean the streets by hand. I am very thankful that I live in a free and independent country.

The rest of the countries I went to were also very interesting, too. I hope someday you too can go to Europe and see the difference.

FOURTH PRIZE—$1.00

REPORTER
PATRICIA SHAW
2013 So. Liberty St. No. 9
New Orleans La.

Dear Archie,

I am an eighth grader at Carter G. Woodson in New Orleans, Louisiana. As you probably know, there are musical displays that are carried out all over the world. Well, our class was chosen to send a representative to the State Musical Convention.

I have to admit that there's a variety of good musical players in our class. So the teacher really couldn't very well choose one person. She left it up to us. We were asked to make a display of our talent next week. There were to be judges at the display, and the one that the judges chose was the one who got to go to the convention.

I wanted very much to go, so I played my piano three hours each and every day for two weeks. To my surprise I was the one chosen. I guess it really pays to study!
